### Recent High Court Rulings Blasted in Ala.

MONTGOMERY, Ala. (AP)—Declaring that they will go all out to defend the heritage of southern culture, Alabama Dixiecrats last week declared an all out war on all foes of segregation.

The occasion was the meeting of the Alabama States' Rights Democrats. Their action was taken as retaliation against the recent decisions against segregation by the U. S. Supreme court. The pro-jimcrow group passed the following resolution:

"We urge all Alabamans, white and black, to conduct themselves with forbearance, tolerance and practical common sense in the crisis which has been forced upon both races by the vicious plotting of the National Democratic administration.

"We urge every citizen of this state, white or black, to refrain from words or deeds which might precipitate friction between the races.

"We point out here and now that segregation in Alabama has been instead of a barrier of hostility between the races, a bridge across which white hands and black hands have reached in friendship and service, one to the other.

"This crisis is not of our making."

### Fewest People Vote in South, Survey Shows

WASHINGTON, D.C. (AP)—Eleven Southern states rank at the bottom of the percentage of eligible voters going to the polls, according to a survey as reported in a recent issue of the Congressional Record Appendix.

According to this poll only 13.7 percent of persons eligible to vote in Alabama cast their ballots in the 1948 Presidential elections. Alabama ranked lowest in this respect.

Not far ahead of Alabama is South Carolina with only 13.9 percent of the eligible going to the polls. Other states at the bottom of the list were: Mississippi, 16.6 percent; Georgia, 21.8; Arkansas, 22; Virginia, 23.7; Texas, 26.6; Louisiana, 27.7; Tennessee, 37; North Carolina, 38.6; and Florida, 39.4. Highest ranking border state is Missouri with 60 percent voting in 1948. Other border states were Kentucky, 50.1; Oklahoma, 50, and Maryland, 43.

Best voting record in America was made by Utah with 74.6. The nation's average was 52 percent.

### NATION'S CHURCHES URGED TO PRACTICE RACIAL TOLERANCE

ST. LOUIS (AP)—Rev. Cameron P. Hall, executive secretary, Federal Council of Churches of Christ in America, told a conference on social education and action at Bishop Tuttle Memorial here last week that "racial tolerance is an area of special responsibility for church people to see that it is practiced within the churches themselves."

He was addressing the session devoted to "The Responsibility of Christian Citizens and Race Relations." The three-day conference was sponsored by the Metropolitan Church Federation.

In his address, Rev. Hall said, "More and more we need to be working toward the churches that are racially inclusive. Such groups as fellowship churches and interracial churches in a number of cities are a step in this direction."

In another conference—that of the Summer School of Catholic Action at St. Louis—said the Rev. Louis J. Twomey, regent of Loyola University Institute of Industrial Relations School of Law, said:

"Failure to solve problems of race relations in the United States will imperil what we proudly call our Christian democracy."

He added that the racial question was an "international issue as well as an American dilemma."

### Jesse Binga's Funeral Rites In Chicago

CHICAGO (AP)—Funeral services for the late Jesse Binga, famed Negro banker of the 1920's, were held Tuesday, June 20, at St. Anselm's Roman Catholic church. He was buried at Oakwood cemetery.

Rosary was held over the body Monday night where it lay in state at Miller and Major funeral home. Thousands of people, including many depositors in his ill-fated Binga State Bank, old friends and business cronies, as well as the purely curious thronged in and out of the funeral parlor to see the body for four days.

Members of the Catholic Order of Foresters, St. Michael's Court 279, Binga's lodge, served as pallbearers. Honorary pallbearers were E. A. Smither, the late banker's friend and business associate for more than 50 years, and members of his office staff, Charles J. Barnes, James Broome, and Guy T. Cannon.

Binga died June 13 at St. Luke's hospital following a fall in his home which developed into a stroke.

Former Shoe Shiner Born in Detroit April 10, 1865, Binga came to Chicago in 1893. Starting out as a shoe shine boy he became the founder and president of one of the nation's largest Negro banks the Binga State Bank.

### Miss. Girl Age Ten, Gives Birth To Baby Girl

CHARLESTON, Miss. (AP)—A 10-year-old girl, Sarah Moore, was revealed this week as the mother of a three-weeks-old baby girl, Sarah Lee Moore.

Little Sarah Lee, born prematurely, was so small at the time of her birth, May 25, that she had to be fed with an eyedropper to remain alive.

Since then the tot has been kept alive in a home-made incubator using heated bricks to maintain the proper temperature. The mother's parents and members of the health department staff are caring for the baby.

The infant was born in the farm house of Sarah's parents here in Charleston. Dr. E. W. Ryan was listed as the attending physician. The baby's father was not listed on the birth certificate.

The mother was born October 2, 1939, to Jim Moore and Lillie Walker.

### Hoosier Medic On Texas Trip Interviewed

SMITHVILLE, Texas (Special to The Recorder)—Dr. E. D. Moten, on a visit here this week, was questioned about organizational activities or groups associated with his profession in the state of Indiana, acclaimed the recently organized Hoosier State Medical Association.

However, he disclaimed the spirit and trend of procedure of the Indiana State Medical, Dental, and Pharmaceutical Association with which members of the new organization were formerly affiliates.

In this connection Dr. Moten said, "The Indiana State Medical, Dental, and Pharmaceutical Association as it now exists stands as a symbol of reaction to overlord the now recognized medical section known as the Hoosier State Medical Association."

Further, Dr. Moten said, "By desperately hanging on and dying hard, by the deserted coalition of the cognate bodies, by coercing, inducing false representation and inciting weaker fellows of the state, who formerly showed acute interest in medical meetings to line up with the old old organization is to continue to hamper the operation of the new organization."

Again, Dr. Moten asserted, "The efforts of the Indiana State Medical, Dental, and Pharmaceutical Association have not been proven successful, and will not under the leadership of these guiding that obsolete body."

He contended further, "The Hoosier State Medical Association is liberal and reciprocal with its former cognate bodies and is just waiting for those bodies to re-adjust and organize themselves into a recognized organization, for friendly and cooperative relations should exist, and ought to exist, on the division of assets less liabilities incidental to each former cognate body while operating together."

3,500 ATTEND RECORDER'S FIRST ANNUAL BASEBALL CLINIC—Almost 4,000 baseball enthusiasts cheered and applauded their favorite American Association stars at The Recorder's first annual Baseball Clinic Tuesday in Victory Field. The Clinic, designed to give baseball lovers a close-up of the diamond game from all angles, attracted spectators from all parts of the city. Practically every youth club, amateur baseball team and church in the Hoosier Capitol was represented.

### "FEDERAL JOBS BILL" URGED BY UNION MEET IN CHICAGO

CHICAGO (AP)—One thousand Negro and white trade unionists from 36 states—including 11 Southern states—met here last week to establish a giant lobby to fight for the "Omnibus Federal Jobs bill, which would halt rising unemployment and job discrimination."

Believed to have been the "most unique meeting of its kind in the past decade," this National Trade Union Conference for Negro Rights was called by Chicago's Southside Negro Labor Council and the Harlem Trade Union Council.

The conference presented statistics to show that from 25 to 40 percent of the nation's unemployed today are Negroes. In Chicago the ratio is 70 percent, 65 percent in Detroit, and 50 percent in Toledo.

Special financial assistance was voted to Negro railway workers "who are being driven out of all types of jobs, some of which they held even during slavery."

The conference embraced delegates from every basic industry in the nation, including Negroes from Right Wing, Progressives, Left Wing, Independent, AFL, CIO, and Continued on Page 3

### Local Scouts Selected for Jamboree List

Boy Scouts from the Central District attending the National Jamboree at Valley Forge, Pa., will include one Scout from Troop 11, Everett Tooley; two Scouts from Troop 187, Harold Bell and Morton Goode; one Scout from Troop 185, Charles Rodgers, and one Scout from Troop 195, George Bright.

The Jamboree will be held June 30 to July 6. President Truman will open the Jamboree on June 30, according to announcements from Amory Houghton, president of the organization and Dr. Arthur A. Schuck, chief Scout executive.

The Central Indiana Council with headquarters at Indianapolis will be represented at the National Jamboree by 341 Scouts and leaders.

More than 47,000 Boy Scouts and leaders from all parts of the nation and its territories, including about 570 from 15 other nations, will make the encampment the largest gathering of youth in the Western Hemisphere. The Jamboree will close on July 6.

President Truman, who is honorary president of the Boy Scouts of America, will drive past most of the 35 sectional camps which will occupy about 625 of the 2,033 acres of Valley Forge Park, owned and maintained by the Commonwealth of Pennsylvania.

The opening ceremony Friday evening, June 30, will include pageantry telling the story of Valley Forge with the ragged Continental Army of about 10,000 men under George Washington who camped there from December 10, 1777, to June 19, 1778. The ceremony will close with Scouts carrying torches across the grounds to light their 35 sectional campfires.

### Recorder's First Baseball School Attracts 3,500

The Recorder's first annual Baseball Clinic, which attracted 3,500 youngsters, youths and parents Tuesday in Victory Field, received high praise from city officials and parents.

Notables from all parts of the city and county were writing and phoning in congratulatory messages this week following the apparently successful venture.

A. J. Thatcher, Director of Recreation in the Public Parks' Department, who directed the program as emcee, said the Clinic was "a fine thing."

"Not only for boys but also for parents who by their attendance proved interested," the Recreation Director said.

"Our office received lots of favorable comments from parents," Thatcher said. "And they all seemed to think your Clinic was a very fine thing."

"There's no doubt that the project was a great success," the recreation authority continued. He said the large attendance on a cloudy morning when the weather was threatening all the way was indicative of the affair's success.

"The Clinic was an asset and a helpful boost to our youngsters," he concluded.

Helped Baseball and Youth Ted Sullivan, business manager of the Indians who made it possible for The Recorder to hold the Clinic in Victory Field, was "highly pleased."

"I think it helped baseball and youth," he said. "I want to congratulate The Recorder for having foresight enough to conceive the idea and the progressiveness to sponsor it."

Sullivan praised the Recorder. "The project has my wholehearted approval and is welcome back to Victory Field next year," the Indian official asserted.

Capt. Aubrey Jacobs, director of the Traffic Division of the Indianapolis Police Department commended The Recorder for combining safety with baseball during the Clinic.

"References to safety are sometimes too few, but never too many," Captain Jacobs stated.

"The Recorder did a fine job out there," he assured. "People were there from all over the city on every type of conveyance but everything worked like a charm. There wasn't the slightest rub with other traffic nor was there a single accident reported," he pointed out.

The Recorder itself cannot extend too much thanks and praise to the American Association players who co-operated wholeheartedly with the program, and the Victory Field management.

Neither can The Recorder visibly show its gratitude to all others who aided and participated.

The Clinic, scheduled to go over a three-hour route, was forced to be cut slightly because of the threatening weather.

Ted Sullivan opened the program by extending Victory Field

### Otto D. Ferger, Widely Known Druggist, Dies

A widely known Indiana business man and druggist, Otto D. Ferger, age 72, died at his home, 2134 N. Meridian street, Sunday, June 18, after a short illness. A pharmacist in the city more than 50 years Mr. Ferger owned and operated a drugstore at 502 Indiana avenue.

People came from every part of the city to patronize his drugstore. He was a counselor and friend to many of the older citizens all over the city. His philanthropies were extensive and no family or individual was turned down for medical needs on account of not having funds.

During his life time it is generally agreed that he aided directly more than a dozen Negro youths to obtain their education. This type of philanthropic activity he engaged in for three or four decades. The group of young men

## The Road to Health

By Dr. C. G. Constable of Detroit

### ARTHRITIS

"Doctor, would you give some extra attention to that left knee?" Mrs. Marks asked me when she came for her annual examination and, "chest X-ray a few months ago. 'It's been acting up, on and off, and this week it's terribly stiff."

Mrs. Marks and I had been friends for some time. After recovering from a serious illness several years ago, she formed the excellent habit of regular physical check-ups. She had urged her husband and two sons to do the same, but they weren't quite as faithful as she was. Mrs. Marks never let a summer go by without seeing me, no matter how well she felt.

When I examined Mrs. Marks thoroughly, her heart, lungs and circulation appeared to be sound. But as I examined the stiff knee, I began to suspect the rheumatoid form of arthritis in an early stage. Additional tests later proved that I was right.

"But I always thought arthritis was terribly painful, doctor," Mrs. Marks exclaimed when I told her. "That knee just aches a little every now and then and gets a bit stiff at times."

"That's where we were lucky, Mrs. Marks. I told her, 'We have detected your arthritis in an early stage — before it has had time to advance to a painful, swollen condition which is more difficult to relieve. It is possible for arthritis to appear suddenly in the joints, but it usually starts slowly with an aching and stiffness, like your knee.'

"But arthritis might mean I'll be crippled, and there are those three men to cook and clean for."

"Not at all," I interrupted Mrs. Marks. "Since we have caught it early, I am quite certain we can ward off the crippling that arthritis sometimes causes. We can start treatment promptly and we have a good chance of arresting the disease."

Mrs. Marks is still under treatment for her arthritis. But already she has had great relief and the stiffness as well as the aches have almost disappeared. However, if it had been neglected, her arthritis might have attacked other joints also, leaving them stiff, swollen and painful. Crippling and deformity would have resulted.

There are various types of arthritis which affect different parts of the body, but all will cause severe pain, crippling or deformity — sometimes invalidism — if allowed to go untreated.

We do not know the exact cause of arthritis and there is no specific preventive for it. Doctors believe that people whose general health is good and who do not suffer from other serious illnesses and infections are less likely to get it than those in poor health. But arthritis can strike even those who live healthfully, as in the case of Mrs. Marks.

There has been a great deal said recently about certain new drugs that show promise in treating arthritis. The drugs are still in an experimental stage, however, and further study must continue before they can be recommended for general use.

"A 'stiff joint' should never be ignored or treated with 'home remedies.' The person who suffers from stiffness or aches in any joint should see his doctor at once. If the symptoms do mean arthritis, prompt medical care can bring the patient relief and may even prevent the crippling effects often brought on by the disease.

We hope you are mailing your copy of THE INDIANAPOLIS RECORDER to FRIENDS.

## N. Y. PHYSICIAN TO TAKE SEAT IN AMA HOUSE OF DELEGATES

SAN FRANCISCO—Dr. Peter M. Murray, Negro physician of New York City, will take a seat in the American Medical Association's House of Delegates at the opening of the 10th annual meeting here today.

Dr. Murray is the first of his race to be represented in the House of Delegates, the policy-forming body of the A. M. A. This was made possible by his election to the House by the New York State Medical Society. There will be 198 delegates this year, representing 147,000 physicians from the United States and territories.

Dr. Murray, a native of New Orleans, is 62 years old. He graduated from the Howard University School of Medicine in 1914. From 1918 until 1920 he was assistant surgeon-chief at Freedmen's hospital, Washington.

He is presently director of the department of gynecology at Harlem hospital, New York, and director of obstetrics and gynecology at Sydenham hospital, New York.

He is a trustee of Howard University; member of Comitia Minors (executive committee of the Medical Society of the County of New York); a diplomate of the American Board of Obstetrics and Gynecology, and a fellow of the A. M. A., New York Academy of Medicine, American College of Surgeons and International College of Surgeons.

## ALPHAS' FRATERNITY MAKES RECORD ON INDIANA CAMPUS

Widely it is charged that college fraternities and sororities are engaged way up over their heads in social activity, and this might well be true with some.

But if the Gamma Eta Chapter of Alpha Phi Alpha fraternity indulges in social activity, it's apparent that the group is only up to its neck in it — the members use their heads for study.

This is evident by their high scholastic rating on Indiana University campus.

The Alphas rank second among all Greek letter organizations on the Bloomington campus in scholastic achievement. The Negro organization missed first place by only .004 of a point. There are 29 Greek letter organizations on the state school's campus.

The fraternity's high scholastic standing can probably be attributed to its intense investigation and screening of prospective new members. This is evidenced by its pledge club's high standing.

The pledge club ranks first scholastically among the 29 pledge clubs currently active on the campus. The group also held this rank in 1947, 1948 and 1949.

In '47 and '48 the organization received the Pledge Council Scholastic Award and the Phi Eta Sigma National Award in 1949.

The gains the organization has made have been made in the past four years.

It was organized in 1947, the second Negro fraternity to be established at Bloomington.

—Took Long Time

For a long time officials of the school maintained that the school's Negro enrollment could not support another Negro fraternity. One of the oldest Negro Greek letter organizations in the nation was established there early in the twentieth century and was the lone Negro fraternity there until 1947.

It was through the relentless efforts of young men interested in Alpha Phi Alpha that the school finally agreed on another Negro fraternity.

The new organization held its first initiation on March 29, 1947, and Gamma Eta Chapter was duly organized.

William Herring, a junior from Crawfordsville, is basileus, and John Ward, a Marion sophomore, is vice-basileus.

Ward is the first Negro elected to the board of Aegons, an honorary student governing board.

Charles Woods, another Alpha, is the first Negro member of the Sphinx, an honorary organization for senior men, while Eugene Taylor has been initiated into the Falcon Club, honorary organization for juniors.

## Kentucky Registered Nurse, Former Local Resident, Visits City

Mrs. Jane Turk Cole, registered nurse of Henderson, Ky., and formerly a resident of this city has made an enviable record of service for herself during the last twenty years of work in her profession.

Mrs. Cole has traveled widely and is known nationally in her work or profession, where she has recorded several "firsts."

"Who's Who in Colored America" for the year 1950 will carry a biographical sketch of her. The book, now on the press, will be released soon.

Mrs. Cole was in the city of Indianapolis to visit her brother, John Turk, 417 W. Tenth street, and while here attended various social functions, including The House of Lords' formal spring dance over last week-end.

A public health nurse in the Kentucky State Department of Health, Mrs. Cole pioneered public health nursing for Negroes in western Kentucky. This was sixteen years ago.

She had gone to Kentucky to complete her training after starting in Provident Hospital at Chicago. She was graduated as a registered nurse from Red Cross Hospital in Louisville.

Served With Red Cross

After a year of private duty for the Red Cross, the former Indianapolis woman was called to Mercy Hospital in Cincinnati where she was appointed night supervisor of nurses.

She remained in that position two years then went to Evangelical Booth Hospital, serving in the same capacity as she had in the other Cincinnati hospital.

The fast-moving Naptown came back to the Hoosier capital after stopping off at Waverly Tuberculosis Hospital in Louisville and serving as supervisor there for two years.

She worked as supervisor of the Baptist Hospital here for a short time then went back to Louisville to become the first Negro to do tuberculosis nursing on the city's tuberculosis staff. She called in the homes of the stricken, and in the schools.

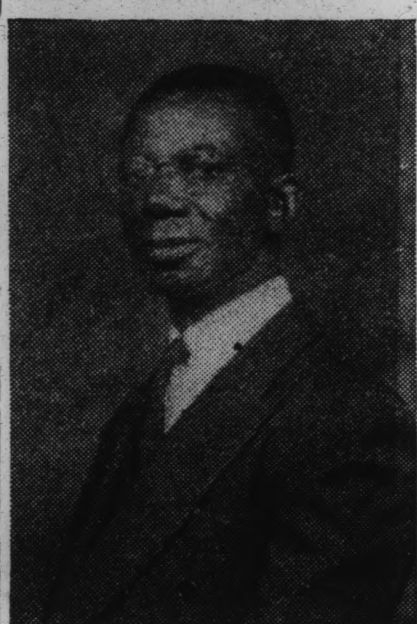

However, after a year of outstanding work she was sent to Henderson where she immediately made a notable record. She was the first Negro to be admitted to the Kentucky State Registered Nurses' Association.

Mrs. Cole, who holds offices in Kentucky organizations, Indiana organizations and national organizations, served on the membership committee of the Kentucky State Registered Nurses' Association during its 1950 drive. She also works with the Henderson NAACP.

ing, but it will be of our solving, for we will not stand by and see unleashed upon both races that which — if brought into being — must inevitably destroy both."

In fiery speeches the States Rightists denounced President Truman and the anti-segregation rulings of the high court.

Declaring that Supreme Court action "cast a shadow across our southland," keynote speaker Sam Johnston of Mobile cried out:

"We must segregate to survive as a race; and if we do not survive as a race, civilization will perish at the same time. If the southern states unite themselves for defense, denounce on every occasion the efforts of the President of the United States and Congress to crucifix the South and begot here a mongrel race, possibly some order may be brought out of this chaos."

Robert B. Albritton said a new social order in the South must come "through a change in the desires, aspiration, tolerances and mutual understanding of the great majority of its people, the Supreme Court of the United States to the contrary notwithstanding."

"It must come," he continued, "if ever, through the slow process of evolution, otherwise the hideous alternative of revolution rears its head. He concluded with an appeal for southerners to recognize "our deep and abiding responsibility to guarantee our Negro citizens equal but separate educational facilities."

the key figure in a thriving Negro community.

Bank Crashed in 1930

His bank folded July 30, because of the results of the 1929 stock market crash.

He was married to the former Miss Eudora Johnson, close relative of the late "Mushmouth" Johnson of "Entertainment" fame. His wife died shortly before he began a prison term in 1935 after being convicted of mishandling certain bank funds.

Paroled three years later, he devoted his life to church work at St. Anselm's where he became an usher.

At the time of his death he lived with his nephew, Albert Roberts, at 3636 Prairie Ave.

Besides Roberts, Binga is also survived by two other nephews, Ripley Mead, real estate broker, and Will Robinson, an attorney, and a niece, Mrs. Jessie Barnes.

## .. Social Scene ..

By RICHARD C. HENDERSON

Jordan Hall of the Phyllis Wheatley YWCA was scene of a very pretty dancing party last Saturday night when Mesdames ERNEST BATTLES and LILA DUEWSON entertained in honor of their daughters and sons-in-law, Messrs. and Mesdames LAURENCE J. FALWELL and JAMES PERKINS.

The hall was attractively decorated with wild flowers and greenery, and the punch table — with punch bowls well-filled with delicious punch and cookie trays filled with tasty cookies — was beautifully arrayed at one end of the hall.

At the other end Eldridge Morrison and his mixed orchestra furnished solid dancing music.

The party turned out to be quite a "family affair," and among family groups one noticed Mr. and Mrs. OTIS R. BRYANT and sons, OTIS JR., JAMES, and MASON; Mr.

and Mrs. MAURICE E. NEISLEE, SR. and JR.; Mr. and Mrs. PAUL PARKS, Mr. and Mrs. EZRA ALEXANDER JR., and Miss DOROTHY JEAN PARKS; Mr. and Mrs. FAYBURN E. DEFRANTZ, JR. and ROBERT D. DEFRANTZ.

Mr. and Mrs. JAMES PHILLIPS and Miss RUTH PHILLIPS; Mr. and Mrs. JOHN GENTRY and the ISAAC BACONS JR.; Mrs. BERNARD GREENE and Miss LOUISE JEANNE BAIRD; Messrs. CLAYTON, ELDRIDGE, and FRANK LIN MORRISON; Mrs. LILA DUEWSON and Mr. and Mrs. JAMES PERKINS; and Messrs. and Mesdames ERNEST BATTLES, L. J. FALWELL, and FRANK BATTLES.

Among out-of-town guests were Mr. and Mrs. LORENZO BLOUNT, Detroit, who were house guests of Mr. and Mrs. FRANK BATTLES, Mr. and Mrs. WILLIAM ELLIOTT Kokomo; and little Miss SANDRA HOLMES, Milwaukee, Wisc., who was visiting Mrs. BLANCHE HORNER.

Hostesses who registered and assisted at the punch bowls were Mesdames JERRY B. ACKMON, PAUL PARKS, FRANK MOORE, FRANK BATTLES, and BETTY GIBSON.

A round of social pleasures greeted Mrs. LEON PEYTON, attractive young Chicago matron when she made her first visit to our fair city as guest of Mr. and Mrs. JUAN C. SOLOMON. The visitor is the charming wife of LEON PEYTON, well-known in civic and social circles of Chicago.

Although she came here for a few days' rest from her duties as supervisor in the application department of the Chicago welfare, she was recipient of many social courtesies. On Friday evening Mr. and Mrs. Solomon honored their guest with a tripoly party, with delicious refreshments being featured.

Those attending were Messrs. and Mesdames SPRING CLARK, CLIFTON SCOTT, HARRY PETTIE, ANDREW RAMSEY, PAUL KING, and LAFAYETTE TURNER.

Others extending courtesies to Mrs. Peyton were Messrs. and Mesdames PAUL KING and CHARLES DAVIS and Mrs. ROSALIND RICHARDSON, and she was also guest at the annual picnic of La Gae Neuf club last Saturday.

Gifts or flowers were received from Mesdames ROSALIND RICHARDSON, CELESTINE PETTIE, DOLORES HUMMONS, AUDREY HOWARD, R. NOBLES, EVELYN HAWKINS, and ELOISE SOLOMON.

Mr. and Mrs. VERNES STEPHEN HUNT motored last week from Washington, D. C. to this city to visit her mother, Mrs. IRENE GEORGIA ROBINSON, and to attend the commencement exercises at Indiana university, at which her brother, CHARLES EMMETT ROBINSON, receives his B. S. in social science.

Other relatives attending the commencement program were Mr. and Mrs. NATHAN HUMPHREY and Mesdames VERGIE GARVIN, NEVADA BARBER, and CLYDE WELLS.

Mrs. Hunt is the former Miss MARY LOUISE ROBINSON, and is now with the psychology and counseling departments at Howard university.

Officers of the Hubbard Center civic club were elected at the last meeting of the group, held on

## Bethel Church Girls Group Will Be Heard On June 30th

The Boosters club of Bethel AME church will present the girls' ensemble of the church in a recital in the Indiana World War Memorial auditorium on Friday night, June 30, at 8:15.

The girls' ensemble, an outgrowth of the former junior choir of the church, was organized on Easter Day in 1948. Five girls, Ruth Austin, Rosemary Harrison, Barbara Johnson, Dorothea Shelton, and Ethel Whitaker, agreed to meet together on the following Saturday in the home of Mrs. Marietta Johnson, director.

Growth of the group has been gradual and deliberate. At present the total membership is 22, with 19 active girls. Members are Aneta Allen, Delores Bartee, Ruth Buchanan, Barbara Crowds, Barbara Johnson, Dorothea Parker, Irma Porter, Frances Smith, Margaret Smith, Loretta Spearman, Luella Stenson, Evelyn Thomas, Valeria Thomas, Ethel Whitaker, Dilys White, Wilma White, and Phyllis Smith.

Included among the group's many appearances have been those made in Muncie, Marion, and Kokomo, broadcasts over stations WISH and WFEM, and appearances in various local churches.

Accompanist for the coming recital will be Mrs. Doris Faulkner, B. A., a graduate of Ball state teachers college. Assisting her will be Mrs. Blanche Butts, B. A., music teacher at School No. 87.

Miss Jean Martin, director of health education at the Morgan Health Center of Flanner House, will be featured in a violin duet, with Mrs. Faulkner accompanying the ensemble in an art song.

Featured as guest artist on the program will be Miss Betty Marlene Mullens, piano student of Mrs. Ellen T. Meriwether, who will play several Chopin selections.

Mrs. Marietta Johnson, B. S., M. S., also a graduate of Ball State teachers college and Butler university, is director of the group. She is a music teacher at School No. 17.

Mrs. Hazel Manlove is president of the Boosters club, and Rev. Jonathan A. Dames is pastor of the church.

## AKA Chapter In Terre Haute Elects Willie E. Thomas Head

TERRE HAUTE—Miss Willie Effie Thomas, public school teacher in Evansville, was elected basileus of Alpha Eta Omega chapter of Alpha Kappa Alpha sorority at its regular monthly meeting here on June 10.

A noted civic worker, Miss Thomas recently organized on the Evansville college campus an interest group with ambitions to become an undergraduate chapter of Alpha Kappa Alpha sorority.

During 1949 she organized an NAACP Youth Council with a membership of more than sixty boys and girls. Through her efforts, they immediately began doing a news broadcast over radio station WGBF in Evansville, with Miss Thomas, then local and state youth advisor, writing the script and assigning various Youth Council members to act as commentators.

At present under her direction, the Youth Council presents a record and highlight program over radio station WJPS each Sunday morning at 8:45. These scripts are also written by Miss Thomas, with council members acting as announcers.

At the 1950 Carver Community organization's annual membership

at Butler college and Texas college, Tyler, Tex., and received her master's degree in education and sociology at the University of Michigan, Ann Arbor, Mich.

The basileus transferred from Beta Eta chapter at Ann Arbor to the Terre Haute chapter, and commutes because there is no graduate chapter of the AKA sorority in Evansville at the present time.

## Voice of the Eastside

By MARY P. McGUIRE

Two weeks ago, when I called in the home of Mrs. Blanche Martin to chat with her father, James Christian, little did I dream he would be gone on Father's Day. Mr. Christian, an old chum of my grandfather, passed on Friday morning, and would have reached the ripe age of 90 if he had lived until August 10.

He lived up to his name by being a devoted Christian, serving as a deacon in Greater St. John Baptist church since 1918 under various pastors, including Rev. A. W. Smith, Dr. S. S. Reed, and Rev. A. Brown.

Funeral services were held in the church with Rev. Brown in charge. Also assisting were Revs. W. M. McClure, John Patton, and J. B. Carter. Mrs. Emma Brown read the obituary, and Mrs. Ollie Fleming rendered a solo.

Pallbearers were Messrs. W. Jackson, Ben Mosley, F. G. Garnett, William Strange, William Lee, and Richard Russell.

The King & King funeral home was in charge of the remains, which now rest in New Crown cemetery.

Among the many out-of-town mourners at the last rites were Mrs. Ethel Killbuck and Mr. and Mrs. M. Christian, Pembroke, Ky., and a large number from Buffalo, N. Y.

Five lovely daughters and three sons are among the host of relatives and friends who will miss this great counselor.

Rev. Benjamin Davis, Seattle, Washington, was guest speaker last Sunday morning at New Bethel Baptist church, which was packed to capacity in spite of the heavy rain. Pictures of the services were taken, preparing for the 75th diamond jubilee anniversary, to be held July 31 to August 7.

Miss Elizabeth Sherron, Washington, D. C., was seen recently in an ex-servant service. One of the eastside's successful graduates, Miss Sherron is the daughter of Mr. and Mrs. James Sherron, 1906 Cornell ave.

Mrs. Mattie Fanning, member of New Bethel Baptist church and Bible school teacher, presented tokens to all graduates attending the services last Sunday night during the reception hour.

## HAROLD HAYES FETES MOTHER

Harold Hayes entertained his mother, Mrs. Russell Hayes, with a formal five-course turkey dinner last Sunday afternoon in their home, 554 W. 26th st.

The table was daintily appointed with silver service and lace, and was centered with a huge bowl of fresh cut flowers and burning tapers.

Dinner was served to the immediate members of Mrs. Hayes's family, including her brothers and sisters-in-law, Messrs. and Mesdames Samuel D. Board and Harry Robert Board, and her sister and brother-in-law, Rev. and Mrs. Noble Sanderson.

Out-of-town guests were Mrs. Margie Simpson, Savannah, Ga., mother of Mrs. Samuel D. Board, with whom she has been visiting for the past three weeks; and J. Emmett Brizentine, Brazil, who spent the week-end with his daughter, Mrs. Harry R. Board.

Mrs. Sanderson gave her sister a beautifully decorated birthday cake, which was served after dinner with ice cream, and after-dinner music was furnished by the host on the Hammond organ.

Mrs. Hayes received numerous personal gifts.

## STATE Y-TEENS ANNOUNCE THEME

"Growing Up" is the theme of the 1950 Indiana State Y-Teen conference, which will be held at Tippecanoe River state park near Winamac from June 25 to July 1. Representatives from both branches of the YWCA will attend.

Joyce Watts and Shirley Backer, both of the Y-Teens club at Phyllis Wheatley Branch, will be co-ordinated by the director for the conference, Mrs. Ruth H. Bell.

The conference, made up of promising leadership material from Y-Teen clubs all over Indiana, will present workshops and study groups which will deal with subjects of vital concern to teen-agers today.

Included in the conference program will be discussion groups on vocations, personal growth, health, keeping the peace and building a marriage, and workshop groups in crafts, music, party planning, and recreation and club service projects.

Mrs. Bell will lead the conference workshop on worship and will direct the opening ceremonial.

## Popular Richmond Social Club Holds Annual Summer Dance

By A Staff Correspondent

RICHMOND—Highlighting the late spring social season in Richmond was the annual summer dance given by the Esquire club on Saturday night, June 10, in the Morton-center.

Cute little black and white invitations had been eagerly accepted by guests. From 10 to 11 a cocktail hour was enjoyed in the north-end cocktail room of the center.

A long serving table sat in the middle of the room, looking very pretty and gay with a floral centerpiece of red and white carnations.

White carnations with black centers were featured by the Esquire members. Their wives and sweethearts, following a long-established custom, wore white gardenias.

Following the cocktail hour the guests proceeded to the ballroom, where Sammy Hopkins and his orchestra from Columbus gave out with good dancing music.

Several out-of-town guests were present for the affair, including Dr. and Mrs. W. Smith, Muncie; Dr. and Mrs. E. Smith, Indianapolis; Mr. and Mrs. Stirling Patterson, Columbus; Mr. and Mrs. John Patterson, Springfield, O.; Miss Dorothy McCowan, Indianapolis; and Richard Harris, Ohio state university.

Members of the popular men's club are Dr. Richard R. Ferguson, president; Leo Holloway, vice-president; Lawrence McConnell, financial secretary; Russell Garrett, corresponding secretary; Dr. William H. Faulkner, treasurer; and Gilbert Gee, parliamentarian.

Also members are Messrs. Olie Archey, Charles Craig, Glenn Hall, William R. Faulkner, Charles Hopkins, Grant Hopkins, Charles Jackson, Paul Milton, C. Stirling Patterson, Gilbert Potter, Dr. John R. Smith, Grant Spears, John Tidwell, Goldie Vest, and G. Norrell Webster.

Honorary members are Dr. Darrell P. Mitchell, Cleveland, and Lawrence Jackson and Dr. Robert F. Harwell, Los Angeles.

## Dorothy Campbell, E. Chicago, Becomes wife Of John Lawshe

EAST CHICAGO — Miss Dorothy Campbell, daughter of Herman Campbell, became the bride of John Lawshe, nephew of Mr. and Mrs. Logan Hart, on Sunday afternoon, June 11, at the Campbell residence, 3614 Pennsylvania street.

The pair were united by Rev. Leroy Mitchell of the Chicago Baptist Institute, Chicago.

The bride was given in marriage by her father. She wore imported white embroidered organza with a shoulder-length veil touched off with a tiny brim. Her accessories were mits made of the same material and white shell pumps.

Miss Jen Campbell, maid of honor, wore a dress of pale green organza trimmed with fresh yellow rosebuds. She carried a bouquet of yellow roses and lilies-of-the-valley.

Chatman Brently was best man.

Close friends and relatives attended the reception, which

allowed.

The couple went on a ten-day honeymoon, to begin at the James Double J ranch in Constantine, Mich., then on to Detroit, and ending up in Toronto.

The bride, a graduate of Washington high school, is a student at the Indiana university extension studying business administration. ad is employed as a saleswoman for the Calumet supply company.

The couple will reside in East Chicago.

Mr. Lawshe, also a graduate of Washington high school, is a student at the Indiana university extension studying business administration. ad is employed as a sales-

man for the Calumet supply company.

The couple will reside in East Chicago.

## Rev. J. P. Pierce New Pastor at Barnes Church

The Rev. John P. Pierce is the new pastor of Barnes Methodist church in W. 26th street. He was assigned to the local church at a recent session of the Lexington Conference held in Dayton, Ohio. Bishop Edward W. Kelly presiding.

Rev. Pierce has held pastorates at Asbury church, Lexington, Ky.; Amphor church, St. Paul, Minn.; Beloit, Wis.; Jeffersonville, Ind.; Owensboro, Ky.; Rushville, Ind.; and other places.

He was successful in eliminating indebtedness on church properties at all these places except Rushville, where the church was free of indebtedness. Transferred from Asbury, Lexington, Ky., to Asbury church, Youngstown, Ohio, where the church was destroyed by fire, in less than two years he dedicated a fine new church home.

Rev. Pierce received his degree of theology at the Moody Bible Institute, Chicago. He has been a highly successful minister for twenty-seven years. He and his wife, Mrs. Mary D. Pierce, observed their twenty-fifth wedding anniversary in January of this year.

Mrs. Pierce is a former school teacher of Memphis, Tenn. She obtained her education at Walden University and Fisk University. The new "first lady" at Barnes Church has made many friends and has been widely acclaimed by the members of the congregation.

# "It's Roosevelt" For All One Gary Man's Education

GARY — "Where'd you go to high school?" "Roosevelt." "And college?" "Roosevelt." "And now you're going to begin work on your master's degree?" "Yes, at—"

"I know, don't tell me — at Roosevelt."

Something like that might be a conversation in which William S. Gross Jr. of this city would engage.

A graduate of Gary Roosevelt high school, where he was salutatorian of his class, Gross last week received a bachelor of science degree from Roosevelt College in Chicago. He plans to return there this fall to work on his master's degree.

His studies were interrupted for three years while he, along with millions of other men and women, served under Commander-in-Chief Franklin Delano Roosevelt.

GARY MAN'S DEATH UNDER PROBE BY POLICE DEPT.

GARY—Police last week probed circumstances surrounding the death of Corey Adamson, age 50, who died June 14 in Methodist Hospital after refusing to tell authorities how he had sustained a stomach injury.

Neighbors said Adamson lost his

balance and fell down a 10-foot flight of steps as he was returning home from a party. They said he struck a platform and several pipes as he fell.

# Car Accessories Theft Involves Detroit Dealers

DETROIT (ANP)—Leroy Wilson, 49-year-old businessman who several years ago became the first Negro licensed Kaiser-Frazer automobile dealer locally, was arrested here recently on a charge of being one of the persons participating in handling the \$23,000 worth of tires and tubes stolen from a railroad boxcar by four thieves.

Wilson was arrested with eight other persons after three of the tire thieves put the finger on them.

However, when arraigned before Judge O. Z. Ide in recorder's court, he said he knew nothing of the thefts and that the only connection he had with the loot was through one of his employees.

This employee, Luther Dowdell, 30, had brought a man to Wilson's office with tires for sale, supposedly from a bankrupt tire shop. Wilson paid the man \$70 in a personally signed check. He denied having any other connection with the tire theft merchants or any knowledge that his employees were dealing with stolen property.

# 175 STUDENTS IN ROOSEVELT HIGH CLASS AT GARY

GARY—Commencement exercises were held here last week for 175 seniors of Roosevelt high school.

"Dynamic Lives" was the theme of the program. Cornell McChalmers Jr. was the salutatorian, while Venetia Poplar gave the acceptance.

Five honor graduates reviewed the careers of outstanding contemporary leaders. The life of Dr. W. E. B. DuBois, sociologist, was discussed by Willard Johnson; the life of Dr. Mary McLeod Bethune, educator, by Bertha Ward; the life of Dr. Ralph J. Bunche, diplomat, by Albert Holmes; the life of Martin Anderson, singer, by Isabelle Lynch, and the life of Dr. George Washington Carver, scientist, by Monica Everett.

# Don't Be Satisfied With Only Temporary Relief—Now It Is Possible To TREAT THE CAUSE OF ANY SICKNESS

DUE TO DEFICIENCIES OF VITAMINS B<sub>1</sub>, B<sub>2</sub>, NIACIN AND IRON

**Mrs. John McLendon, P. O. Box 8191, Los Angeles, California.** "My age is 44. My trouble is stomach distress. Can't eat and when I do it makes me sick. But HADACOL has done me more good than anything I have tried. My mother lives in Mobile, Alabama, and sent it to me. I don't think there's anything better than HADACOL, and if there is you can have it." (Just leave it to the mother to send her son HADACOL. Why don't you send a bottle to a relative with this trouble?)

**Alex J. Anderson, Route No. 1, Caryville, Florida.** "A very bright youngster. I am ten years old. I've always been puny. I never have eaten or played like my brothers. I've been taking HADACOL for a while, now feel better, play more and like to go to school. HADACOL is really a good medicine." (Just leave it to the youngsters to find out what's good for them!)

**Mrs. Clifton Cram, 511 West Commerce Street, Greenville, Alabama.** "I am taking my third bottle of HADACOL and it has done more for me than any other medicine. I was awfully weak and nervous and run-down. I would have weak nervous spells and I had no appetite for food. So I heard different people praising HADACOL over the radio. My wife wanted me to give it a trial and I sure am glad I did. My back would hurt me so with neuritis pains all I could sleep at night but that is all in the past. My backache is gone now and I am feeling good so I am going to continue taking HADACOL. I am 35 years old, employed by Greenville Ice and Coal Co., Greenville, Ala. I hope everybody that needs medicine will try HADACOL. I just can't praise it enough as it seems to be just the medicine I needed."

**Mrs. Ophelia Jefferson of Gulfport, Mississippi.** "I've been suffering from neuritis pains and aches and was advised to have my teeth extracted, but received no relief. I'm now on my seventh bottle of HADACOL and it's given me entire relief from the aches and pains. I'm able now to do a full day's work. The makers of such a marvelous remedy should certainly be praised."

**Mrs. Robert C. Stuart, Barter Inn, Abingdon, Virginia.** "I am working in the capacity of Health Inspector for the State of Virginia and have for the past two years suffered heartburn and a form of stomach distress. I have had no appetite and have been spending many hundreds of dollars for treatment and aid. I have not found any relief in anything or any treatment until I tried your remarkable HADACOL, which I praise with the highest regard. Now I eat three large meals a day without any pains or discomfort. I have gained 15 lbs. since the 15th of December—never felt better in all my life. I am now taking an active part in civic and extra-curricular activities which I had to ignore since last December. I have worked zealously. Thanks to your remarkable HADACOL."

**Mrs. Aldore Kramer of Marrero, Louisiana.** "I want you to know how your wonderful HADACOL helped me. I suffered so from neuritis pains and aches, I hurt so, and I could hardly use my right hand. I even had my teeth out but got no help. I started to get HADACOL. Now I sing while I plow my fields. I'm so happy. I'll never be without HADACOL. I take it every day. (That's the spirit—let's it great to have that wonderful HADACOL feeling? Why don't you try it?)"

**Mrs. John R. Grizzle, Jr., 4903 B. Chaparral, Dallas, Texas.** "I'm writing you to let you know just what HADACOL has done for me. I was feeling bad—nervous, had headaches, lost my appetite—so my mother advised me to get HADACOL and try it. My baby is only 2 1/2 months old and it sure has helped me. I've taken only one bottle and it has done wonders. My husband is taking it now too, and he surely feels better, and not so tired after a day's work. I recommend HADACOL to everyone who needs a tonic, and it surely will make you feel better. I hope this will help someone to feel better by reading or hearing this information."

**Mrs. John Krumpelman, 127 Warren St., Lexington, Kentucky.** "Four months ago I was suffering from lack of energy; no get up and go at all, and great irritability. Then my friends recommended HADACOL, and in a very short time my appetite began to go back to normal and I seemed as though a miracle had happened because everything was once again very bright."

**Mrs. George F. Taff of Poplar Bluff, Missouri.** "I am 57 years old and I have started on the third bottle of HADACOL. I never heard about a medicine that helped me like HADACOL. I don't have neuritis aches or pains since I took the first bottle. I was so nervous, I had pains in my back, legs and arms till I couldn't work. Now I feel good and go all the time to work." (HADACOL gives such wonderful results because it treats the cause of such deficiencies.)

**Mrs. Helen Barron of Meacerville, Georgia.** "My little boy had been sick for quite some time. Until I heard about HADACOL over the radio, he was weak, run-down, and apt to catch anything—he couldn't run and play like other boys did, and I wouldn't eat anything. So I can't praise HADACOL enough. He has taken 4 bottles and eats anything, and sleeps good, isn't tired when he gets up, runs and plays as much as anyone, has gained weight, and feels good. I have taken some myself. He is 11 years old now. I can't tell enough about what HADACOL has done for my son. He even looks better. I want all my friends to try HADACOL."

**Mrs. Tom Kennedy, 1302 Rector Street, Hot Springs, Arkansas.** "My trouble was terrible pains right after I ate my meals. I have tried pills but they didn't do any good, so I thought I would try HADACOL. After the first bottle of HADACOL, I got relief, so I wouldn't be without HADACOL. I have already told all my neighbors about HADACOL, how good it is. They are also taking it. I am 49 years old and I sure do feel a lot better, thanks to HADACOL." (What a wise woman Mrs. Kennedy is. She realizes continued use of HADACOL helps prevent such stomach misery from returning.)

**Beatrice Starks of 303 Millford Street, Hona Pua, South Carolina.** "I just had to write you a few words to try to tell you how much HADACOL has helped me. I had an operation in February. Then I started washing too soon, took neuritis in my hands and arms and after that couldn't do anything. I heard about HADACOL, decided to try it and I'm sure glad I did. My indignation was so bad I couldn't eat anything I liked but now I can eat what I want. My hands don't hurt or my hips as they did before I started using HADACOL. Please keep hollering it out so others will hear about it."

Then I started washing too soon, took neuritis in my hands and arms and after that couldn't do anything. I heard about HADACOL, decided to try it and I'm sure glad I did. My indignation was so bad I couldn't eat anything I liked but now I can eat what I want. My hands don't hurt or my hips as they did before I started using HADACOL. Please keep hollering it out so others will hear about it."

# Don't Be Satisfied With Only Temporary Relief—Now It Is Possible To TREAT THE CAUSE OF ANY SICKNESS

DUE TO DEFICIENCIES OF VITAMINS B<sub>1</sub>, B<sub>2</sub>, NIACIN AND IRON

**Mrs. John McLendon, P. O. Box 8191, Los Angeles, California.** "My age is 44. My trouble is stomach distress. Can't eat and when I do it makes me sick. But HADACOL has done me more good than anything I have tried. My mother lives in Mobile, Alabama, and sent it to me. I don't think there's anything better than HADACOL, and if there is you can have it." (Just leave it to the mother to send her son HADACOL. Why don't you send a bottle to a relative with this trouble?)

**Alex J. Anderson, Route No. 1, Caryville, Florida.** "A very bright youngster. I am ten years old. I've always been puny. I never have eaten or played like my brothers. I've been taking HADACOL for a while, now feel better, play more and like to go to school. HADACOL is really a good medicine." (Just leave it to the youngsters to find out what's good for them!)

**Mrs. Clifton Cram, 511 West Commerce Street, Greenville, Alabama.** "I am taking my third bottle of HADACOL and it has done more for me than any other medicine. I was awfully weak and nervous and run-down. I would have weak nervous spells and I had no appetite for food. So I heard different people praising HADACOL over the radio. My wife wanted me to give it a trial and I sure am glad I did. My back would hurt me so with neuritis pains all I could sleep at night but that is all in the past. My backache is gone now and I am feeling good so I am going to continue taking HADACOL. I am 35 years old, employed by Greenville Ice and Coal Co., Greenville, Ala. I hope everybody that needs medicine will try HADACOL. I just can't praise it enough as it seems to be just the medicine I needed."

**Mrs. Ophelia Jefferson of Gulfport, Mississippi.** "I've been suffering from neuritis pains and aches and was advised to have my teeth extracted, but received no relief. I'm now on my seventh bottle of HADACOL and it's given me entire relief from the aches and pains. I'm able now to do a full day's work. The makers of such a marvelous remedy should certainly be praised."

**Mrs. Robert C. Stuart, Barter Inn, Abingdon, Virginia.** "I am working in the capacity of Health Inspector for the State of Virginia and have for the past two years suffered heartburn and a form of stomach distress. I have had no appetite and have been spending many hundreds of dollars for treatment and aid. I have not found any relief in anything or any treatment until I tried your remarkable HADACOL, which I praise with the highest regard. Now I eat three large meals a day without any pains or discomfort. I have gained 15 lbs. since the 15th of December—never felt better in all my life. I am now taking an active part in civic and extra-curricular activities which I had to ignore since last December. I have worked zealously. Thanks to your remarkable HADACOL."

**Mrs. Aldore Kramer of Marrero, Louisiana.** "I want you to know how your wonderful HADACOL helped me. I suffered so from neuritis pains and aches, I hurt so, and I could hardly use my right hand. I even had my teeth out but got no help. I started to get HADACOL. Now I sing while I plow my fields. I'm so happy. I'll never be without HADACOL. I take it every day. (That's the spirit—let's it great to have that wonderful HADACOL feeling? Why don't you try it?)"

**Mrs. John R. Grizzle, Jr., 4903 B. Chaparral, Dallas, Texas.** "I'm writing you to let you know just what HADACOL has done for me. I was feeling bad—nervous, had headaches, lost my appetite—so my mother advised me to get HADACOL and try it. My baby is only 2 1/2 months old and it sure has helped me. I've taken only one bottle and it has done wonders. My husband is taking it now too, and he surely feels better, and not so tired after a day's work. I recommend HADACOL to everyone who needs a tonic, and it surely will make you feel better. I hope this will help someone to feel better by reading or hearing this information."

**Mrs. John Krumpelman, 127 Warren St., Lexington, Kentucky.** "Four months ago I was suffering from lack of energy; no get up and go at all, and great irritability. Then my friends recommended HADACOL, and in a very short time my appetite began to go back to normal and I seemed as though a miracle had happened because everything was once again very bright."

**Mrs. George F. Taff of Poplar Bluff, Missouri.** "I am 57 years old and I have started on the third bottle of HADACOL. I never heard about a medicine that helped me like HADACOL. I don't have neuritis aches or pains since I

### Ark. Minister Sued on Slander Charge, Cleared

LITTLE ROCK, Ark. (ANP)—Charges of slander and assault and battery brought by a discharged woman member against the Rev. C. D. Pettaway were dismissed here last week by a Pulaski Circuit court jury.

Rev. Pettaway, pastor of the Wrightsville Baptist church and head of the Arkansas State Baptist convention, was defendant in a suit for \$10,000 brought by Mrs. Isabella Moton, member of his church for 46 years and church treasurer.

She claimed that he had dis-

missed her as church treasurer after certain funds could not be accounted for. She brought suit following an incident outside the church after Christmas services last year.

She told the court the pastor called her "a liar, a thief and a dog" and hit her three times "with his Bible in his hand." She sought \$5,000 actual damages and \$5,000 punitive damages.

Rev. Pettaway denied her testimony. He said she attacked him as he left church, and it was necessary to push her aside to get to his auto.

We hope you are mailing your copy of THE INDIANAPOLIS RECORDER to FRIENDS.

### Urban League Aid From New York on Visit to Marion

MARION—J. Harvey Kearns of the research division of the National Urban League visited the city to counsel officials of the local branch of the organization.

Recently he has visited many Urban League branches throughout the country making recommendations to social service workers and city officials on the economic and social status of Negro people. He recently visited the city of Port Wayne to make a study on employment and housing.

Mr. Kearns is an expert in the field of human relations and has been in social service work more than 20 years. A series of conferences were arranged for Mr. Kearns while he was in the city.

### Mo. Educator Gets Ph. D. Degree at Northwestern U.

EVANSTON, Ill. (ANP)—Armistead Scott Pridie, dean of the Lincoln (Mo.) School of Journalism, was awarded a doctor of philosophy degree here last week at the graduation exercises of Northwestern university.

He earned his degree in English and journalism for his dissertation on "A Register and History of Negro Newspapers in the United States: 1827-1950." His work compiled the first list of names of 2,700 Negro journals published in this nation since 1827.

A month ago Dr. Pridie was elected into membership of American Society of Journalism School Administrators, the first Negro to be so honored.

During 1946 and 1947 he directed the microfilming of nearly 200 Negro newspapers for the Committee on Negro Studies, American Council of Learned Societies. The following year the council awarded him a fellowship for study at Northwestern toward his doctorate.

### Va. Governor to Study Case of "Martinsville 7"

RICHMOND, Va. (ANP)—The seven Martinsville men, under sentences to die on July 28 and August 4, for the rape of a white woman, on January 8, 1948, have not petition Governor Battle for a clemency hearing, it was learned here last week.

The doomed men—Joe Henry, Hampton Frank, Howard and James Luther Hairston, Booker T. Millner, Francis Desales Grayson,

and John Claborn Taylor—were denied a new trial by the Virginia supreme court of appeals and later failed to win an appeal from the U.S. Supreme Court. They had been convicted of an attack on the victim while she was walking down a railroad track with an 11-year-old boy.

The governor can, under the law, change the death sentence to life imprisonment or grant the men a pardon. He said he expects to study the record in the cases and that he has been requested by individuals to commute sentences.

At time of sickness, will you call your family doctor ... or a stranger?

Under Socialized Medicine, you may not have your choice.

Suppose your family physician is not in the system—or his list is full. You will be assigned to an unknown man in a pill line—as a number, not a patient!

If you object, you must pay double for the type of medical service you want—once for the compulsory tax, and again for the fee for private, proper medical care.

Our nation's health is at an all-time high under the present system. Let's keep it that way.

Write Congress you are opposed to government controlled medicine. Your future depends on what Congress does. Eternal vigilance is the price of freedom. Act now!

Aesop said a bin full!

Remember the fable of the Wise Little Ant, and the Gay Grasshopper who Got Wise the Hard Way?

Aesop had a point: "Be Provident". He proved it by showing the Ant enjoying the Fruits of Foresight in a Warm and Cozy den, while the Grasshopper was Out in the Winter's Cold because he laughed at the Facts of Life.

Verily, Aesop had a Point—and it's still Sharp. Today, Aesop would tell you: "Be Provident! Buy Coal Now. Get Yours while the Getting's Good."

### "Mr. Beale Street" To Lead Tenn. Elk At Chicago Meet

MEMPHIS (ANP) — The local delegation which will attend the annual convention of the Independent Benevolent and Protective Order of the Elks of the World in Chicago August 20-25 will be headed by a "Mr. Beale Street," it was announced here last week.

The "Mr. Beale Street," the local contingent's idea for drawing more nationwide attention to the "blues songs" are now sung around the world, will be selected from an already carefully screened field of five male candidates. The winner will be publicly "crowned" with a high silk hat and full dress suit at a gala "Night of Music at Melrose High School Stadium" on Aug. 4.

In Chicago, "Mr. Beale Street" will ride in state at the head of the Memphis delegation of high school bands, dancers and marchers.

The five candidates for this honor, who are competing in a ticket-selling drive are: T. L. Lumpkins, president, Lumpkin Barber college; S. W. Qualls Jr., undertaker, Lewis W. Johnson, dean, National Trade schools; Leon Hurder, postman and A. P. Martin, president, Martin Barber college.

## WAIT A MINUTE, CONGRESS!

New stories from Washington tell of a growing desire on the part of Congressmen to adjourn the present session. We understand the solons' desire to quit work in this hot weather — we deeply sympathize — and sometimes it looks as though it might be a good thing for the country, too. But wait a minute — isn't there some "unfinished business" that Congress must dispose of before it adjourns?

We refer, of course, to that much-discussed CIVIL RIGHTS Legislation. The Fair Employment Practices Bill. The Anti-Lynching Bill. The Anti-Poll Tax Bill.

Apparently the politicians, from the highest to the lowest, were talking strictly for votes when they made all those promises to pass laws protecting democracy for all. As predicted in this newspaper, the "champions of civil rights" have made an "effort," and they are willing to let it go at that. But we the people are not in the least bit satisfied. We the people meant it when we voted for civil rights laws, and we are not willing to let it go.

Suppose Congress adjourns — will the employers who hire Negroes last and fire them first, also adjourn their prejudiced policies? We think not. And when an American worker cannot find a job because of his race or religion, will the appetites of his hungry children adjourn? Will the landlord adjourn that demand for the rent?

Will the Southern lynchers adjourn their frenzied carnivals of violence, because Congress adjourns? Will the Dixiecrats and Democrats of the South adjourn their white primaries and their white elections?

We say that before Congress can adjourn, there must be one real effort to pass the civil rights legislation, and a real effort will be a successful effort. The filibuster can be beaten, and the FEPC and other laws can be passed, if there is a will to do so. Before Congress adjourns, there should be such a legislative battle as the country has never seen, to break once and for all the strangle hold on the race-haters on Uncle Sam.

## JESSE BINGA PASSES

Sagas of our times involving parallels of "Horatio Alger" have included and must include numerous persons of Negro ancestry or background, but few as colorful as the life of the late Jesse Binga, Chicago real estate broker, banker and financier.

Like millions of people of our land he suffered a recession in fortune and adventure "in the things of 1929". But on the eve of "things of '29" he was reputed to be worth a million dollars. He owned a bank, and unknown number of parcels of real estate and was a highly respected business, civic and religious leader of his home city and state.

Arriving in the city of Chicago during the Columbian Exposition, Binga started his way from the bottom as a shoe shiner. Later he obtained a real estate broker's license which he held at the time of his death June 13. Around seven years after he entered the real estate business, he opened the Binga State Bank, a vibrant institution in the hustling and bustling city which boasts the motto, "I Will."

The bank became affiliated with the Chicago Clearing House and during its affluent days, through loans stabilized more than \$30,000,000 (thirty million) worth of real estate and community business operations. At the time of the 1929 crash Binga had plans to make it a national bank.

At the time of the crash his personal property was valued on paper at more than \$600,000, but he was unable to produce ten percent of that amount in cash for the demands on the closing of the bank. He lost nearly everything and had to go to prison in 1935. He was a bold adventurer, but a business man of ability and fair repute in all the days of his good fortune. The story of his life is typical, he found a way or made a way, in constructive endeavors reaching high heights.

## "THE BROWN BOMBER STORY"

Boxing as a sport of amateurs or the professional big business has enjoyed some high and very low response of its followers in our times. Followers of the sport have such a wide array of striking athletic regalements to follow and there have been other reasons for the sport to lose caste or favor.

However, not so long ago, one Joe Louis Barrow staked a claim in the pugilistic world, which proved to be a bonanza for a lot of prospectors. Just a little while ago the man "Joe Louis" backed out, some people say with little other than fame or acclaim. But others still in the field know what he has contributed and what his name is worth to their activities.

Thus it follows that the daily news is full of rumors that "Joe Louis", the "Brown Bomber" will come back, and other rumors follow that he will not stage a comeback. Some highly reputed sportswriters, off the record, just say all of the "stuff" is circulated to perpetuate the widest interest of followers the boxing sport.

Again business in the pugilistic world is not what it was when Joe Louis staked his claim. All promoters know that the only big name in the game is that of "Joe Louis", and some of them would like to get him back in the ring, or keep him in the ring as a kind of talisman of, or for all the world arayed around the "squared circle."

However, from the office of Joe Louis in Chicago, very recently comes the comment that the "Brown Bomber" will not fight Savold, Woodcock, Ezzard Charles or any one else. If the "Brown Bomber" elects to follow this report he will remain the greatest hero in the thinking of fight fans, and the real champion of all times.

## WHO'S PRIMITIVE NOW?

We were much interested by that report last week of the discovery of two Brazilian Indian tribes who "never had seen a white man."

According to Dr. Kalervo Oberg of the Smithsonian Institution, who has just returned from four years in Brazil's jungle interior, the tribes are the Nambiquara and the Tere-na. They are described as "primitives," but some of Dr. Oberg's observations lead us to wonder.

For instance, these people are so suspicious of palefaces that they even distrust neighboring tribes who have had contacts with whites. Hm! That sounds to us as if the Nams and Ters themselves must have had dealings with the jays somewhere along the line.

Again, it is said "they believe that man was created out of blocks of wood."

This leads us to suspect that they must at some time have visited the U. S. Congress.

Of course Dr. Oberg reports that "they wear no clothes," but this may be a sign of forwardness rather than backward-

## FAKERS AND FOOLS

There are two many fads, fakes, freaks, frauds, and fools. People of good judgment are not likely to be eager faddists or the victims of humbugs.

They are from Missouri and Texas too. Being from Missouri means "Show me," from Texas, "Put it in my hand." One of the most despicable fakers I ever heard of was a preacher in a middle western college town. He did not have a standard high school training. Yet he claimed to be educated highly and to hold several degrees.

He led his unlettered members to believe that he knew more than all the teachers of college professors combined.

He told them that he challenged any member of the faculty to debate him on the religious denomination to which he declared Christ belonged. He had a fader, also calling himself a preacher and great musician, come to the town from a nearby large city to help him rob his congregation of its earnings and savings.

The visiting sharper announced himself as being the greatest music teacher on earth. He solemnly proclaimed that he could teach a pupil more music in a week than anyone else could in a year.

Convinced that he had shown himself to be a remarkable man, he took up the main business of his visit. He claimed to represent a gold mining company in a far western state. He told them that the colored owners refused to sell the mine to a large white corporation at a big price because they wanted colored people to get rich by buying its stock.

He advised that investors would have to act quickly because all the stock would be sold within a few days. According to the promoter the stock was fifteen cents a share but would soon be much higher because so many people were buying it. He urged his hearers to put all the money they could raise into the securities.

He urged that a hundred dollars placed with the gold miners would be worth a thousand in six months or less. The pastor, of course, urged immediate and large-scale buying. And they did buy as many shares as they could.

An Old Fraud Story They not only got no profit but not a cent of their investment ever came back to them. When complaints were made the clergyman informed them that he too had lost all he put into the enterprise. They accepted his word without question. Old widows who lost their life savings became indignant at any suggestion that the pastor was a party to the swindle.

For many years B. T. Washington was disturbed over what seemed to him to be too costly weddings and funerals. He fought against such extravagance and urged that expenditures be kept within the means of persons concerned in those ceremonies. Washington's advice is quite different from that of a Chicago preacher who even defrauded the dead whenever he could do so. When one of his men members died he promised to help an undertaker get the business of burial if the latter would pay him for his aid.

Learning that the deceased carried a good deal of life insurance, he called on the widow. "Sister," he hypocritically told her, "your husband was so prominent that you ought to give him a funeral costing two thousand dollars or more."

Luckily he was not dealing with a simpleton overcome by grief and unable to think and act independently. She was a good reader of human nature and understood his real motive at once.

Glowering at him, she commanded: "There's the door. Take it. When I need your advice I'll ask for it. I'll not employ your undertaker and you shan't preach the funeral. Get out!"

## APPRECIATION FOR A FRIEND

To The Editor Recorder

Dear Sir: While in your city visiting my father on Father's Day I met an old acquaintance, I first met at Ft. Harrison as a soldier.

I visited Mt. Paran Baptist church and each man or woman in uniform was requested to register, this was done for a "Service Club" whose members would write to people in the service, and while I was in the service I received a letter each month from this fine man, Herschell Blackwell, as long as I was overseas, 22 months.

I also learned that he wrote to more than 135 men and women in the service each month, inspiring and encouraging them and telling them about what was going on at home. You see Mr. Blackwell was once a soldier himself being a veteran of World War I. Many years after he passed on knowledge of his experiences along to others and always closed his letters with a Bible verse a message in itself.

On my recent visit to the Mt. Paran church I heard the Deluxe Four and my father told me Mr. Blackwell was the business manager of the quartette, a fine group of singers. I also found out that he was carrying on in the same grand

ness. In other words, perhaps they have already reached the point toward which American women are heading in about 1952.

Our strongest doubts, however, are raised by the report that "one of their major worries is that their military secrets will be revealed. When a stranger approaches, they hide their bows and arrows."

Primitive Indians our foot! These people must have been in the United States, and during the present Administration! Where else could they learn that sort of thing? We even suspect that if the doctor had stayed longer, he might have been hailed before the Un-Nambiquaran Activities Committee.

We will stick to our own theory until a better one comes along. It is our opinion that these "tribesmen" are refugees who have fled from Rankin's Congressional district in Mississippi. And by the way Doc, when's the next boat?

## EDUCATION LIMITED

There is no proposition on which the people are so generally agreed as that education must be universally provided for all the people. In this our country the struggle for education is almost a mania among the people. The great sacrifices thousands of youths are making yearly to get an education amounts to one of the greatest epics of modern times.

In fact so great are some of the sacrifices that those who make them in many instances die before they can enjoy the benefits thereof. But fortunately most of those who make the most strenuous sacrifices live to look back upon them with joy and with pride. Few are the great men of our times who do not have a "hard luck" story in their repertoire of life.

Ever since Booker T. Washington claimed to have slept under some bridge in or about Richmond on his way to Hampton, it has become "fashionable" to hark back to some trying experience in one's life that faintly parallels Washington's. We have come upon the open season for graduates who are emerging from our institutions by the thousands annually. We run across degraded men and women on every side. A few years ago the holders of the higher degrees were scarce, and the very sight and appearance of one begot great veneration and even awe.

Today holders of the higher degrees do not especially inspire unusual attraction and even holders of the Ph. D. degree do not occasion more than passing notice. It has come about that the writers of our best books are leaving off their degrees in presenting their works, meaning of course that it is not the degree but the work that counts. This is a healthy sign of the educational times. So generally are we committed to education and more education that to raise the question as to whether education is a good or bad thing seems terribly out of place. But it is a question worth opening and debating.

One of the greater tragedies lies in the assumption that education is an unquestioned good. The very assumption is dangerous. Glowering at him, she commanded: "There's the door. Take it. When I need your advice I'll ask for it. I'll not employ your undertaker and you shan't preach the funeral. Get out!"

## Mistakes in Education

In economics we have what are called complementary commodities such as salt and sugar and shortening and nails and the like. Salt is usually good only when used with something else and so with sugar and shortening and nails. Nails are but little good without a hammer and timbers. Education is like that. By itself it is neither good nor bad but it makes all the difference in the world what it is added to. If it is added to a fine character it is fine; if added to a bad character it becomes a curse. One of the major mistakes of our educational systems lies in the fact we have totally disregarded this basic fact.

I have often said, and repeat here, that education adds quantity to life but not necessarily quality and it is quality that counts. Educate a fine youth and you have a blessing beyond compare. Educate a scoundrel and a knave and you have an unmitigated curse. Too long have we been content to say that of all fools the old fool is the biggest. A revision of our thinking would easily show that the biggest fool is the educated fool who thinks that merely by reason of his education he is superior to all who have not had his chance.

## The Measure of a Man

As a matter of fact, there are thousands and thousands of graduates of degree distinction who are inferior to their parents who sacrificed to send them to school and these of great degrees who cannot see this are in very truth educated fools. The mind is not the measure of the man as some great of yesterday has said. The measure of the man is his heart and his heart is the seat of his character. Nobody has found yet any correlation between education and happiness, between education and goodness, between education and usefulness.

Whether or not an educated man is useful or happy or good depends rather upon his character than upon his education. The things that our thousands of graduates took out of their homes to college with them, outweigh anything that they found in college. That is to say what they carried to college amounts to far more than they found there.

statute books of the state of Indiana.

But we were there to see how Americanism works and not get information about Communism. How Americanism works, oh yes, we found out.

## GRADUALISTS FIRMLY CONTROL THE METROPOLITAN YMCA.

Fifty years ago the present Senate Avenue Branch of the Young Men's Christian Association was organized as the Colored Young Men's Prayer Band because the Indianapolis YMCA (white) would not accept Negro members.

After two years as a prayer band the organization was incorporated as an independent YMCA because the leaders of the Illinois Street YMCA did not want to associate with them and because many of the Negro leaders felt that they did not want to be a branch of an organization with so little evidence of brotherly love.

However, when the idea of building the present headquarters was born, it became necessary for the board of management to accept branch status in order to receive aid in the project.

Though irksome, the branch status did not hamper the progress of the Negro branch which was allowed to develop without assistance or interference from the Central Association.

During this period Negro had nothing to say about the governing of the general movement in Indianapolis, and Negro members were unwelcome in the building of the white "Y."

## MR. RAMSEY

That state of affairs remained until the reorganization of the Indianapolis Association a few years back. That organization now operates under what is called a metropolitan set-up with a General Secretary presiding over the affairs of the five local branches of the "Y." There is a governing board of twenty-four who decide upon policies and programs. The Senate Avenue Branch became a member of the metropolitan "Y" through an Anschluss and immediately a change became apparent.

## Old Order Survives

For the past seven years the Metropolitan Board, which contains only two Negro members out of the twenty-four has been seeking to control the program and policies of the Senate Avenue institution lock, stock, and barrel. They object to the Monster Meeting forums where the major questions of the day are discussed by America's leading lecturers. They object to these programs because the problems attending segregation are discussed and none of the speakers has a good word to say for that institution! They are also chagrined that organizations like the NAACP and labor groups are allowed to meet in the Senate Avenue building.

One of the members of the present Metropolitan Board, when pressed to admit that it was their intention to take over control of the Senate Avenue "Y," remarked that too many controversial issues are discussed there and that that has to stop. When asked if the Negro was not a controversial issue as far as his board was concerned, he replied in the affirmative evidently meaning that it is bad for us to talk about ourselves.

The desire of the Negro members for a fuller participation

Education is not any good in itself. It is a complementary commodity. It is limited by the character of those who get it! That is why we have a modern Dark Age.

## HINTS ON HEALTH

UNDULANT FEVER

Vacationists in rural areas should know the danger of undulant fever. Also called brucellosis, undulant fever is transmitted to humans from infected cattle, swine and goats. Raw milk and raw milk products transmit the acute form.

Undulant fever is the fourth most common communicable disease in the United States today. In two percent of severe cases death occurs, and ability over long periods and frequent relapses are common.

The public's tendency to ignore the methods that spread undulant fever makes it difficult to suppress the disease. On vacation trips people unknowingly become infected. Months later, when symptoms of the disease appear, they cannot remember where the possible source of infection may have been.

Some of the first symptoms resemble those of acute infections. The disease may imitate anything from a mild cold to severe illness such as appendicitis or a mental disorder. In Indiana, undulant fever is a common disease. The average number of cases reported to the Indiana State Board of Health in a 10-year period is 71 cases per year.

All milk should be pasteurized before drinking, and rubber gloves should be worn when treating animal abscesses, and during butchering. Five percent of cattle are said to have the disease.

ation in the activities and control of the Indianapolis YMCA, fifty-one percent of whose membership they compose reached the point of explosive expression when the personnel committee of the metropolitan group vetoed salary increases which the Committee of Management of the Senate Y had voted for the underpaid and overworked staff. A bill of grievances was drawn up and presented to the Metropolitan Board in the form of a unanimous resolution of the Senate Avenue YMCA Committee of Management asking for integration into the Metropolitan YMCA or failing that, a return to an independent status.

Six months after the resolution was presented the Metropolitan Board with an attitude of condescension agreed to the appointment of a committee from the board and the Senate Avenue "Y."

That committee has met at least once a month for a year and to date no change has become apparent. The Negro members have asked that the YMCA movement in Indianapolis be fully integrated with Negroes being free to join any branch and to participate in any activities of that branch and with Negroes eligible to be hired for any opening on the staffs of any and all of the branches for which they are best qualified.

## Outmoded Social Action

The white members, while pleading that they are for integration, for the most part plead that the "time is not ripe." The General Secretary, who belongs to the "would-you-want-a-nigger-to-marry-your-sister" crowd, is in favor of any improvement at Senate Avenue which would not breach the color line and which would leave the white members fully in control. G. V. Carrier, the president of the Metropolitan Board, whose idea of Negro seems to have been gained from the various stereotypes and clichés, believes that Negroes will always need a separate Y because as he puts it, "They naturally like to be together like the Chinese in China Town." He urges caution in proceeding with any change and is very fond of saying that he believes in "evolution" rather than "revolution."

Atty. Francis M. Hughes, scion of the late Bishop of the Methodist Church, expresses himself as in sympathy with the plight of Negroes but he believes that the natural train of events will serve our cause and he is fearful "that any fight" on our part will hurt our cause.

With three of the four members of the white discussion committee so committed to inaction, the hope for an amicable settlement of the present difficulties seems remote.

But the Negro members of the joint committee, Dr. Joseph H. Ward, Erskine Roberts, F. E. DeFrantz Sr., and Andrew W. Ramsey, are insistent that anything less than complete equality of treatment of members of the YMCA is not enough. They are backed up by the unanimous determination of the Committee of Management of the Senate Avenue YMCA.

What the white members of the committee fail to recognize is that Negroes are no longer content with the crumbs from the white man's table and there is coming into manhood a whole generation of Negroes who were born fighting back.

Some of the first symptoms resemble those of acute infections. The disease may imitate anything from a mild cold to severe illness such as appendicitis or a mental disorder. In Indiana, undulant fever is a common disease. The average number of cases reported to the Indiana State Board of Health in a 10-year period is 71 cases per year.

All milk should be pasteurized before drinking, and rubber gloves should be worn when treating animal abscesses, and during butchering. Five percent of cattle are said to have the disease.

# FANS GIVE "DEM BUMS" BIG ALL-STAR VOTE

## Hoosiers' Magic Shootin' Wins All-Star Cagers Tilt

By CHARLES S. PRESTON

Indiana's brand of basketball—shot artist from Pikeville, kept fast, heady and interracial—once again proved superior to Kentucky's as the Hoosiers won the All-Star game at Butler Fieldhouse last week, 70 to 57.

The magic shooting of Keith Stackhouse and the brilliant floor play of big Ente. Shine led the Indiana boys to their eighth victory in nine starts against the visitors from the Bluegrass state.

It was a fine example of Hoosier basketball at its best as Stackhouse, the No. 8 player from unknown Bourbon, was hotter than the weather and shot himself right into the Star of Stars award. The lilted lad with the radar basket eye canned 26 points.

This newspaper's representatives in Cummings and ye scribe were asked to vote for the first time in the classic history, and balloted along with the majority for the Bourbon firebrand.

It wasn't an easy choice, though, for there was no doubt that Ente Shine's indomitable floor-work was the backbone of the Hoosiers' victory.

### Shine Plays Pivotal

The South Bend Central graduate, who will enroll at Notre Dame next fall, played the pivotal role in the T-formation. He had no difficulty getting the jump on taller Kentuckians and rebounded magnificently at both baskets. He scored 15 points.

Best of all was the 215-pounder's classy faking and shifting that had his opponents out of position time and again. Some fans were heard to remark that he should have won the award, while others said there should be two—one for Stackhouse and one for Shine.

Gene Wilson of Anderson, listed No. 9 on the Indiana squad, also turned in a brilliant performance. His defensive rebounding and speed down the floor caused spectators to cheer in amazement, while he scored two buckets in five shots.

As usual, the game itself "corrected" the newspapermen's voting in choosing the All-Star team. Indiana's five best turned out to be Stackhouse and Spence Schnaitter at forwards, Shine at center, and Wilson and clever Ted Server at guards. What a dream lineup!

Dick Prater, a dead-eye long

house came through with eight straight points, which explains why they gave him the wrist watch and would have given him the Fieldhouse if anyone had thought of it. Shine, Wilson and Server then came to life and peppered the goal in the remaining minutes.

### Kentucky Takes Lead

As the game began, Kentucky played it cool and Indiana was plain cold. The visitors ran it to 13-9 before Stackhouse was inserted for Pat Klein of Marion.

The Bourbon wizard hit his first shot, and then Shine took a rebound and dribbled the length of the court to tie it at 13. Immediately Wilson hit a jump shot and the Hoosiers were in the lead, never to be headed.

Indiana took a 36-25 margin at the half and ran it up to 50-29 midway of the third stanza. There the Hoosier boys got stuck, while the Kentuckians found the range, and soon it was 50-39. Stackhouse counted two freebies, but again our boys couldn't get off the 52 mark until the visitors had come all the way to 50. In other words the scoring was 21-2, in Kentucky's favor, during this period of mounting anxiety for the home boosters.

It was at this point that Stack-

## Clowns Hold NAL Lead In Eastern Division

(By ASSOCIATED NEGRO PRESS)

The Indianapolis Clowns maintain their lead of two and one-half games over the New York Cubans and the Baltimore Elite Giants in the East division of the Negro American league.

In the West division the Kansas City Monarchs maintained their winning percentage, but the Birmingham Black Barons went on a winning rampage to challenge them.

In the eastern section both Philadelphia and Cleveland have dropped completely out of contention for the first half race. Poor hitting has handicapped both teams, and poor fielding has kept the Buckeyes at the bottom the whole season.

Only one member of the Stars is batting over .300—second baseman James Jones with a mark of .309. The team average is a feath-

ery .212.

The situation is even worse with the Buckeyes who have nobody batting over .300. The team average is a weak .220, and the fielding average is a sloppy .925.

One team, Memphis, is counted out of the race in the West. The Red Sox have better hitting than either the Stars or the Buckeyes, but rank below all the other teams.

Houston and Chicago have an outside chance in the West, and New York and Baltimore seem unable to get started in the East although they could win.

Hairston leads in batting with .429, is tied in homers with five, and ranks second in doubles with 10. He and Howard are tied for the lead in total hits with 39 and runs batted in with 28.

Eugene Howard, 21, is the key man in the belting Monarchs lineup that is battering the ball to a 298 clip. He has pounded out 39 hits in 107 trips to the plate for a dynamic .364 average.

This year he is a much improved player over what he was last year, his first full year in the NAL. A native of St. Louis, Howard came to the Monarchs in 1948 after graduation from Vashon high. There he starred in baseball, track, football, and basketball.

Starting out as a catcher, he was switched to the outfield to bolster a wobbly garden defense. Today, he is considered the best all around outfielder in the league.

### Dodgers Trio Rate Top Spots in All-Star Poll

Jackie Robinson, Roy Campanella and Larry Doby, three of major league baseball's popular stars will start the All-Star game at Comiskey Park, Chicago, July 11, if votes cast thus far in the annual poll indicate anything.

However, though Jackie has amassed an almost amazing number of votes during the poll's short life, he has fallen from third to fourth position among all players since Wednesday of last week. Official tabulation listed him first among second basemen in either league with 80,641 votes.

Robinson was almost 21,000 votes ahead of his nearest opponent, Eddie Stanky, an old teammate who now plays for the New York Giants.

Campanella, rated as the best catcher in either league, was ticked more points onto his "slim" 9,000 lead over Boston's Walt

Cooper. Campy, who has blasted 14 homers already this season, had a total of 73,562 votes.

Doby, Cleveland's shagging centerfielder, running about 10,000 votes out of first in the balloting for American League outfielders, has practically copied a spot on the starting lineup as he continued in third place with 72,162. However, Joe DiMaggio is hot on his heels with 70,596.

Newcombe in There's no doubt anywhere that Don Newcombe will make the team. He might not start but all expectations place him on the senior circuit's game and definitely in the game.

Dan Bankhead could get a berth, but it looks highly improbable. The All-Star teams' coaches will pick the pitchers.

Luke Easter and Hank Thompson are also way up in the running. Easter, Cleveland's giant first baseman, was polling fourth for his position with 46,642 votes, over 23,000 votes out of first.

Thompson, New York Giants, was third among National League third basemen with 49,326.

## Major League Scouts Spot Barons' Player

BIRMINGHAM, Ala. (ANP) — Sparked by the recent batting rampage of young Willie Mays, the Birmingham Black Barons are in the midst of a 13-game winning streak which has carried them from a half-game out of last place in the West division of the Negro American league to only three games out of first place.

Major league scouts from the Boston Braves and the Chicago White Sox are reported to have an inside track on Mays because of his sharp fielding and clutch hitting. Since breaking into the lineup as a regular after several indifferent appearances he has raised his average to .289 in 20 games.

His 22 runs batted in is second in the league. He has batted .322 hits for a total of 38 bases in 26 times at bat for a slugging average of .500.

Another key man in the Barons' attack is Piper Davis who has raised his average to .397 in 18 games since his return from Scranton, Pa., in the Eastern league. Alonzo Perry, converted from a pitcher into a first baseman is batting .304 with 38 hits in 125 times at bat. His 28 runs scored leads the league and his 38 hits ranks second. He is also second in home runs and triples and third in runs batted in.

An all right handed pitching staff of five men has been holding down the hurling. They rank as follows: Jimmy Newberry (4-1), Sam Williams (6-2), William Powell (5-2), Nat Pollard (2-1), and William Gresson (4-3). Gresson and Powell lead the league in strikeouts with 65 and 49 respectively.

### Hank Thompson Hit "Long Homer" At Polo Grounds

NEW YORK (ANP) — Third Baseman Henry Thompson caused Polo Grounds historians to reach for the record book here this week, when he rapped a 455-foot homer over the right-centerfield bull pen against the Chicago Cubs.

Thompson's total hits for the day were two for four to help the Giants keep winning, 9-7.

Sunday, Hank hit his ninth homer into the upper left field stands against the Cubs in the second game, and completed the slaughter with a triple and single in five times at bat, in the second game of a twin bill sweep by the New Yorks.

BROOKLYN (ANP) — Catcher Roy Campanella's fourteenth homer of the season against the St. Louis Cardinals into the left field stands last week in the third inning marked the fifth straight game that the Dodger backstop had hit for the circuit.

## Beau Jack on Big Fight Card Here Wed., June 28

Professional boxing at its best will be presented at the Indiana fairgrounds next Wednesday night as Beau Jack and a star-studded crew of pro pugilists will show their class in six fights and 42 rounds of boxing.

The show, the biggest presented here in many a moon, is to benefit the Cancer Fund and is being put on by the Hoosier Boxing Club.

The Hoosier, Indianapolis' youngest fight promotion group, will be making its initial effort since obtaining its license May 9th. Jerry Sacks, young sportsman, heads the group. Al Farb, operator of a southside gym, is also in on the club.

Beau Jack, former lightweight champion of the world, will appear in the 10-round main feature against Ronnie Harper, Detroit's Toy Bulldog.

This will be his first appearance here and the first appearance of a big name boxer since Forrest McKinney and his Indianapolis Boxing Center "exhibited" Ezzard Charles here almost a year ago and had Archie Moore in for a couple "shows" before Charles.

Harper, a rough little lightweight who forces the action, has been on many cards here. Last he dropped a close decision to Gene Parker, state lightweight champion.

Willie Clemmons, Naptown's prodigal son, wandered back

from New York and will go against Dave Ashly, Cincinnati, in the city-round semi-windup.

Clemmons has been in the Big Town for several weeks under the management of Chick Wergeless and George Gainford. In his only fight up east he scored a sensational two-round TKO.

Two weeks after Wednesday's card Hoosier will bring Clemmons back against Bill Roberts in a 12-round fight for the state heavy title, recently vacated by Elzea Thompson. The Recorder was told.

Roberts is also fighting on the C-veer Fund show. He's pitted against Johnny Binnegar of Murray, Ky.

Chaney Coming Back

Colton Chaney, another of Naptown's globe trotting sons, is back and will be on the show. He paired with the Alabama Kid for a six-rounder. Chaney, fighting out of the east for the past year or so, plans to stay here again.

In a special six-rounder Spider Thomas, Indianapolis' elusive little flyweight, will fight Jimmy Tibbs of Columbus, O. Thomas hasn't fought here in a long time and will be a sight for sore eyes.

Harry "Dynamite" Dunn, explosive middleweight, will tug with Billy Ederton, Murray, Ky., in the four-round opener.

Tickets for the show are on sale at The Recorder and Hymies Boulevard Kitchen, 2702 Clifton.

## I've Been Thinking—

By CAB CALLOWAY

New York senator Herbert H. Lehman has sent the NAACP his annual check in the amount of \$1,000, a contribution which was naturally accepted with warm thanks by Walter White of the NAACP. This \$1,000 will come in mighty handy and perhaps that's why Walter White offered his "warm thanks." I say that "may be the reason," but I doubt it.

The real reason for that warm thanks was that a man of Herbert Lehman's political stature will take the time and will show the sincerity of his own convictions to make a sizeable contribution of his kind . . . not once, but annually.

U.S. afraid of the mud-slinging he could be opening himself to, he would rather back in the warmth of sincerity, realizing that he has convictions which he knows are right and he will live up to those convictions rather than to take the easier, and incidentally cheaper road by avoiding this contribution.

The bigots have talked about Lehman before and they will talk about him again for this stand, but it is a credit to the man that he is far greater than the bigots who attack him and their attacks fall off like arrows striking a

one. And he has made himself that way by living his convictions. I've noticed, though, that it's so often the "big" man, the man who suffers most from mud-slinging, who is "big" enough to take a stand of this kind and hold to it. Those people who say that it's easier to get to a small man than a big one have probably never tried to get to the big man with a legitimate reason.

There are exceptions, of course, but "big" people are often "big" just because they have been human and warm and firm of conviction. Small people stay small often because of their failures on those points.

Now, don't get excited and say that old Cab's gone highbrow . . . for there are juniors, street-sweepers, and grocery clerks who are "big" people . . . who have just never had the breaks. The fellow who holds a prominent spot in the community is probably "big" because he had the breaks . . . but unless he's a hoodlum, he'll only stay "big" so long as he is a big man in his soul, a man with the courage of his convictions.

Governor Lehman (he'll always be governor to us old time New Yorkers), you are a "big" man in every sense of that word.

Twenty-three years ago Jim Rushing was a member of an Oklahoma City musical combo known as the "Blue Devil Orchestra" owned by Walter Page, a fiddle player. A far-away gleam swept in Jim's eyes as we recalled these memories while chatting in the popular Willruss Art and Musical club on West 132nd street, prior

## NITE LIFE... IN N. Y.

By ALVIN MOSES

THE MAN WHO SINGS THE BLUES NEW YORK (ANP)—W. C. Handy, lovable composer of the world-famous "St. Louis Blues," skyrocketed to fame and royalties when America took to humming his number.

But it remained for Jimmy Rushing, heavy-weight champion singer of the blues, to bring a most amazing song-delivery in his interpretation of these sultry tones that made his name a by-word in the entertainment world.

It was during the middle 30's when depression made life a sub-silent one for most of us, that his flaming personality edged his way into the front row of cafe society entertainment with the Count Basie musical organization. The story of mankind is easily traced to the giant shadow the past reveals. In Jimmy Rushing's case we are strongly reminded of the Paul Lawrence Dunbar character "Melinda," whom you may or may not know, could sing. Singing was something Sir James could do in a solid, groovy, jive manner that left his listeners calling for more.

COVERED THE WATERFRONT From 1927, the year we first heard about Mr. Rushing, right up until the day Count Basie disbanded (Jan. 1950) nift-lifers and hector-guys acclaimed to high levels this song stylist often referred to as "Mr. Five By Five."

## EARL BOSTIC IN MEMPHIS

MEMPHIS — The nation's newest independent vaudeville wheel goes into operation at the W. C. Handy theater here July 7th when a six-star cast, headlined by Earl Bostic and his sensational band, come in for a three-day stay.

The new wheel has theatres in Tennessee, Kentucky, Ohio and Pennsylvania. It will give Negro performers work in an area where the policy has been largely to let white in the "downtown" theatres. It will offer one, two and three-day stands giving approximately three weeks steady booking.

The spectacular popularity of Earl Bostic's current smash success recording of "Serenade" won him the band spot.

Other headline acts in the cast are singer Herb Lance and chart-topping Wini Brown; the comedy team of Apus and Estralia; dancer Lewis Hawkins and interpretive dance star Lady Darlene.

The combination of the irrefragable Bradshaw personality and the nation's top record riot "Well, Oh Well" have shoved him into the front line of the popularity parade.

Following on the heels of this newest success, Bradshaw has inked a long term contract with Universal Attractions, top New York booking agency in the Negro field. Another long term contract has been signed tying him exclusively to the King Record banner.

## Dancer Killed in Teen-aged Gun Battle

NEW YORK (ANP) — A gun-shooting, knife-wielding episode following an argument from a craps game last week led to the accidental death of dancer Leon (Baby Leon) Bailey.

Bailey was the victim of a shot from a .22 calibre home-made revolver when he was shot by Ernest Sanders, 16, who said he was shooting at John Stoney, Bailey's roommate.

As pieced together by police it seems that Sanders, Stoney and some other boys got into an argument during a dice game. This argument eventually led into something of a knife battle. Shooting came next.

Stoney ran home to the apartment he shared with Bailey. Bailey was shot when he opened the door to go out. He died the next day at Mother Cabrini hospital.

## In Memoriam

**BOWLING**—In loving memory of my dear uncle, Deacon Julian Bowling, who passed away June 15, 1949. It is lonesome here without you, And sad and weary the way, Life has not been the same, Since you were called away. Thelma Greer, Niece.

**BELL**—In loving memory of my husband, George W. Bell, who passed away June 20, 1941. Rest in peace your work is over; Every problem solved at last, Someday I will join you, When my earthly tests are past. Vergia, Wife.

**COMPLAINT FOR DIVORCE**  
State of Indiana, Marion County,

ss: In the Circuit Court of Marion County, in the State of Indiana.

No. 67502.

Mollie Higgins (Plaintiff) vs. John S. Higgins (Defendant).

**BE IT KNOWN**, That on the 19th day of June, 1950, the above named plaintiff, by her attorneys, filed in the office of the Clerk of the Superior Court of Marion County, in the State of Indiana, her complaint against the above named defendant John S. Higgins and the said plaintiff having also filed in said Clerk's office the affidavit of a competent person, showing that the residence of the defendant, upon diligent inquiry, is unknown, and the defendant John S. Higgins is not a resident of the State of Indiana, and that said cause of action is for Divorce and that the defendant John S. Higgins is a necessary party thereto and whereas said plaintiff having by endorsement on said complaint required said defendant to appear in said Court, and answer or demur thereto on the 5th day of September, 1950.

NOW, THEREFORE, by order of said Court, said defendant last above named is hereby notified of the filing and pendency of said complaint against him and that unless he appear and answer or demur thereto at the calling of said cause on the 5th day of September, 1950, the same being the 2nd judicial day of a term of said Court, to be begun and held at the Court House in the City of Indianapolis, on the 1st Monday in September, 1950, said complaint and the matters and things therein contained and alleged, will be heard and determined in his absence.

A. Jack Tilson, Clerk.

### CARDS STOPPED BY

#### NEWCOMBE, BANKHEAD

BROOKLYN (ANP) — Halting a skid by the Brooklyn Dodgers, Don Newcombe and Dan Bankhead twirled the Bums to their second and third straight victories over the first place St. Louis Cardinals last week. Their victory followed a win by Preacher Roe over the Red Birds.

Pitching Saturday, Newcombe won his fourth straight game and his seventh victory of the season against two defeats by limiting the Cardinals to five hits. Brooklyn won 10 to 2. The Cards scored on hom-

ers in the first and ninth innings. Roy Campanella slammed out his fourteenth homer of the season with one man on.

Bankhead hurled his first major league shutout as he held the Cardinals to only six hits. His record is now five victories and two losses. A crowd of 33,639 Sunday fans saw Jackie Robinson spark the attack with his fifth home run of 33,639 Sunday fans saw Jackie Robinson spark the attack with his fifth home run of the season with two men on in the game won by the Dodgers 9 to 0.

## Joe Louis Rated Most Popular Man in Fight World

CHARLESTON, W. Va. (ANP)—Recent reports that Ezzard Charles would retire from the ring because of a heart condition have brought the name of Joe Louis into fight game once more. Louis has always meant dollars to the boxing game. The terrific drawing power of his name in other businesses is revealed in an exclusive story in the August issue of Color Magazine.

The national pictorial breaks up the myth that Louis has been losing money steadily and is almost bankrupt. Although the champ has not always wisely managed his finances he is in better shape today than he has been for sometime. Detailed reports of Louis's venture in various enterprises are revealed in addition to his little known housing development in California. Color concludes that the name of Joe Louis means dollars to anybody that can use it. A number of people have jumped on the Louis bandwagon. Should Joe go back in the ring, the "Golden Name of Joe Louis" might mean even more dollars. But according to Color, Louis is not broke.

## One Taste Shows Man from Missouri

T. LOUIS, Mo.—Thomas A. Colema, thought all whiskies were about alike until a friend poured him a Calve highball. "He showed me that Calve is definitely better tasting," says the presser with a glowing commentary. "I bet I switched," he adds.

## Clowns Halted By Injuries to Ace Batters

MEMPHIS (ANP)—The Indianapolis Clowns, here for a seven-game series with the Memphis Red Sox have been slowed down during the past week by injury to two star batsmen, Ray Neil and Granville Gladstone.

Neil, swatting a torrid .364

wrenched his knee nearly a month ago, and has not been able to play since. Last week newcomer Gladstone, hitting .313 and leading the league in triples with seven, was injured.

Neil is expected to be out about a month, and Gladstone may be out another week. General Manager Syd Pollock is seeking a slugger to plug the gap left by these two men.

Last week the Clowns won two exhibition games from the House of David bearded nine in Columbus, Ohio, and Richmond, Ind. At Kansas City, however, the Clowns lost two to the Monarchs.
